Principal: Mr B F Guthrie, BA Hons ED PQH

Friday 8 October 2021

Dear Parent/Guardian,

Today, I have been notified of a positive case of COVID-19 associated within our school, in Primary 7A. The positive case in the 'bubble' was last in school on Thursday 7 October.

PHA have assumed responsibility to 'contact trace' from Friday 10 September 2021, with changes in guidelines on how a school close contact is identified:

- Someone who stayed in the same household as an infected person overnight
- Someone who had intimate contact with an infected person overnight
- Someone who was on a school trip overnight with an infected person
- Someone who provided or received personal care from an infected person

As principal, I feel I have a duty of care towards our school community. Under guidance, unless you are notified by PHA, your child should continue to attend school. **If, however, there are circumstances within your household/ family and you have concerns that your child has been within a class bubble of a positive case, or if your child is displaying symptoms, I recommend you book a PCR test for your child to help give you peace of mind.**

Only positive results now need to be forwarded to school.

Your support is very much appreciated.

Yours sincerely

B Guthrie, Principal
